

POLECATS[®] M A N I L A

Ortigas Wellness Alliance, 22nd Floor, Strata 100, F. Ortigas Avenue, Ortigas Center, Pasig City, Philippines

It's STELLAR season!

Stellar is the Polecats Manila annual student showcase. Every class has a chance to shine on stage and show their friends and loved ones the awesome pole tricks and spins they've learned. We practice, put tricks together in a dance, and put on a full program.

Held every July, every *Stellar* show has also had a theme - from burlesque, to rock music anthems, to circus dreams - we're conquering flight one show at a time! This 2018, we will be performing to the music of pop legends whose collection has crossed barriers - **THE BEATLES!**

Check out our schedule below for all the classes you can join in! This schedule starts May 1 to July 19, 2018. Other important dates and reminders are below.

*First timers and beginners are welcome to these classes. Don't be shy! ;P

^Please bring a yoga mat to these classes.

Italicized classes: These are classes that will have a dance number for Stellar. Performance choreography is included in the class.

Polecats Manila, Ortigas

22nd floor, Strata 100, F. Ortigas Jr. Road, Ortigas Center, Pasig City

Ortigas Wellness Alliance, 22nd Floor, Strata 100, F. Ortigas Avenue, Ortigas Center, Pasig City, Philippines

When is Stellar? And what are the details?

Stellar: Across the Universe is on Saturday July 21, 2018 at the Meralco Theater. Tickets are at P800 each. Performers are required to come early, so make sure to block off the whole day!

Why should I join?

In a nutshell? Because it's so much fun! Everyone can join Stellar! Our summer program starts in May and the show is in July. The show is open to students who do not have dance background or experience, so we rehearse and prepare well for it! Stellar is for people who have always wanted to perform, but had felt that it is too late. (It is never too late really!)

To achieve tricks in class is one thing, but to put them together in a dance with your classmates is a whole other level of fun and fulfillment. You will share a lot of laughter and good times in practice and bond with a group of strong, confident people. Check out #mystellarstory on Instagram, and see how much Stellar has changed their lives!

What if I'm a beginner, can I join?

Of course! Everyone is welcome to join! The earlier you decide, the easier it will be to finish your number and perfect all the tricks and spins required.

What are the performances I can join?

As a Stellar performer, you can join 2 performance classes. You can choose either your current pole level class + a dance class or aerial class or 2 aerial classes. Consult your teacher if you're confused. :)

Why is there a fee to join?

The early bird rate for performing in Stellar: Across the Universe is **P3500** until **May 15, 2018**.

The regular rate is **P4500** and the deadline of confirmation is on **June 2, 2018**.

This is inclusive of two [2] tickets to the show, class photoshoot, printed program, goodie bag from sponsors, photo with the Stellar sign, injury insurance from general rehearsals until the end of the show, a digital file of performances and a Stellar souvenir t-shirt.

The fee is for the venue, crew, photoshoots and all the things that come with it. We want to make sure you have the best people and logistics behind the show, so we have to charge a fee to be able to mount the whole experience! Please also note that the Stellar fee does not include classes. Please ask for a list of class rates and packages at the studio.

What other dates should I take note of?

May 15, Tuesday :: Early Bird Rate deadline

June 2, Saturday :: Deadline to sign up and pay. This is also the program photoshoot day! You will dress up in costumes similar to the performance day. Each class has a time slot of 15 minutes to take their photos for the printed program.

July 19, Thursday :: General rehearsals at Polecats Manila studio. This is the day we all come together and run the full show, from start to finish. We start at 7pm sharp, so be ready to get to the studio before then.

July 20, Friday :: The day before Stellar! Get some rest, eat well and sleep early.

July 21, Saturday :: Show day!
